

**WOLMAN®  
WOODWORX® DECK BRUSH**

**DESCRIPTION AND USES**

Wolman® WoodWorx® Deck Brush is a perfect scrubbing tool to use with DeckBrite™, DeckStrip® or Deck & Fence Brightener. Designed for heavy-duty deck/fence/siding projects, the 5 foot steel pole with die cast metal tip will hold up under strenuous use. This heavy-duty brush helps work product into surface layers to help loosen and lift old coatings and degraded wood fibers so they can be rinsed off with a simple garden hose.

**FEATURES**

- Dual surface, angled head allows more effective scrubbing of hard-to-clean surfaces: railings, spindles, posts, corners.
- Great for deck floors, steps & stair runners, spindles, posts and benches.
- Weatherproof, polypropylene bristle block won't crack, warp or swell under wet/dry or freeze/thaw conditions.
- Die cast metal tip prevents handle from snapping off during strenuous use.
- Extra-long 5-foot steel handle includes hook for convenient storage.

**PRODUCT APPLICATION**

**DIRECTIONS FOR USE**

Start by sweeping away surface dust, dirt and debris. Replace any rotted, extremely weathered or warped boards. Remove previously applied coating with Wolman DeckStrip Stain & Finish Remover or Wolman DeckStrip Acrylic Stain Remover. Clean surface with Wolman DeckBrite or Deck & Fence Brightener. Before rinsing away a wood cleaner or stripper with a low-pressure garden hose, use the Wolman Woodworx Deck Brush to agitate the surface and work in the product. Moderate scrubbing effort helps loosen and lift the old, degraded surface and gives a clean, bright look.
